SOURCE OF FUNDING	Emilia Romagna Rural Development Programme (RDP 2014-2020)		
OBJECTIVES	Improving the competitiveness of primary producers by better integrating them into the agri-food chain through quality schemes; creating added value for agricultural products: promotion of products in local markets, short supply chains, producer groups and organisations and inter-branch organisations.		
PLANNED ACTIVITIES	Improvement of chestnut groves; machinery; work on structures and equipment used for first processing of the product; construction, restoration and extraordinary maintenance of drying rooms for fresh chestnuts; technical expenditure		
THEMATIC OBJECTIVE RDP	MEASURE 19 - Support for LEADER local development (SLTP - Participatory Local Development)		
SUMMARY OF PROJECT REQUIREMENTS			
EVIDENCE OF SUCCESS			
DIFFICULTIES ENCOUNTERED			
TRANSFERABILITY	The project is very interesting from the point of view of the supply chain because it supports investments of agricultural enterprises aimed at the economic valorisation of chestnut		

groves, also encouraging the first processing of the final product.
